

Pastoral Week 2010 Boosters

To become 'good stewards of God's varied grace' we are called to share our gifts of time, talent and treasure. Many of you have the opportunity to share your gift of time with your local community. You may also be sharing your gift of talent with us here at the National Catholic Office for the Deaf by volunteering on the local committee for Pastoral Week 2010 or assisting us at Pastoral Week with the many odd jobs that need to be done. Another way to be a 'good steward' is to **become a Pastoral Week Booster** and/or encourage others to become Boosters. The financial obligations of presenting an event such as Pastoral Week can be daunting. The success of Pastoral Week rests on the time, talent and treasure of all of us.

Please consider becoming a Pastoral Week 2010 Booster this year. Ask your friends, family and local business to support Pastoral Week through our Booster program. We have several levels available to match your treasure.
